Thank You
For Choosing
SUPERATV.COM

Do not tighten hardware completely unless noted. Keep all stock hardware.

1. Raise Front of machine off ground, secure with jack stands.
 - Remove Wheels.
 - Remove Brake Calipers from Spindles and hang out of way.
 - Remove Tie Rods from Spindles.
 - Unbolt Shocks from Upper A-Arms.
 - Remove Spindles.
2. Remove stock Upper and Lower A-Arms from Frame.
3. Transfer stock Ball Joints and Bushings, or install SuperATV Poly Bushing Kit AAB-P-RZR, into new A-Arms. See Fig. 1.
4. Install A-Arms (A-D) to machine with stock hardware. SuperATV recommends using Loc-Tite on Nuts when installing.
5. Secure Brake Lines with Brake Line Clips (F) and M5-.8 x 13mm Lg. HHCS (G). See Fig. 2.
6. Reinstall necessary components and tighten all hardware securely.
 - Tie Rods secure to **bottom** of Spindles.
7. Due to shift in Wheels, because of new offset A-Arms, adjust Toe.

(installation illustrations begin on following page)

Fig. 1

Install Grease Fittings (H) into A-Arms (A-D)

If using SuperATV Poly Kit:

1. Assemble Bushing to Sleeve.
2. Insert into A-Arm.
3. Install Bushing.

C	Lower A-Arm, Left
D	Lower A-Arm, Right
F	Brake Line Clips
G	M5-.8 x 13mm Lg. HHCS
H	Grease Fittings

CAMBER

Perform adjustments in small increments.

Adjustments are to be made after all suspension components have been completely assembled.
Tires must not be in contact with ground when making adjustments.

Once on ground, and suspension is settled,
setting should be: negative 1° - 2°

1. Raise machine so that tires are off ground.
 2. Turn Pivot Blocks to adjust camber.
 3. Lower machine and settle suspension components by rolling machine back and forth several feet at a time.
 4. Check settings and make small adjustments as needed.
- Each time an adjustment is made, machine must be rolled back and forth to settle suspension components.

A-Arm

Adjust, in or out, to achieve correct setting

Liability Statement

SuperATV's® products are designed to best fit user's ATV/UTV under stock conditions. Adding, modifying, or fabricating any factory or aftermarket parts will void any warranty provided by SuperATV® and is not recommended. SuperATV's® products could interfere with other aftermarket accessories. If user has aftermarket products on machine, contact SuperATV® to verify that they will work together.

Although SuperATV® has thousands of satisfied customers, user should be aware that installing lift kits, long travel, or suspension kits, tires, etc. will change the ride of machine and may increase maintenance and part wear. Operating any off-road machine while, or after, consuming alcohol and/or drugs increases risk of bodily harm or death. No warranty or representation is made as to this product's ability to protect user from severe injury or death. SuperATV® urges operators and occupants to wear a helmet and appropriate riding gear at all times.

By purchasing and installing SuperATV® products, user agrees that should damages occur, SuperATV® will not be held responsible for loss of time, use, labor fees, replacement parts, or freight charges. SuperATV®, nor any 3rd party, will not be held responsible for any direct, indirect, incidental, special, or consequential damages that result from any product purchased from SuperATV®. The total liability of seller to user for all damages, losses, and causes of action, if any, shall not exceed the total purchase price paid for the product that gave rise to the claim.

SuperATV® will warranty only parts provided by SuperATV®. Any damage or problems with OEM housings, bearings, seals, or other manufacturers' products will not be covered by SuperATV®. SuperATV® parts and products are not warranted if item was not installed properly, misused, or modified.

Installing, adding, modifying, or fabricating any factory or aftermarket product to your ATV/UTV may violate certain local, state, and federal laws. Be advised that laws vary depending on town, city, county, state, etc. Use of certain products on public streets, roads, or highways may be in violation law. The Buyer is solely and exclusively legally and personally responsible for any violation of the law by the installation or use of the product. You must abide by all local, state, and federal laws, including but not limited to vehicle safety, traffic laws, and ordinances. It is your responsibility to know the laws and how they apply to you.

The Buyer is responsible to fully understand the capability and limitations of his/her vehicle according to manufacturer specifications, warnings and instructions and agrees to hold SuperATV® harmless from any damage resulting from failure to adhere to such specifications, warnings and/ or instructions. The Buyer is also responsible to obey all applicable federal, state, and local laws and ordinances when operating his/her vehicle while using this product, and the Buyer agrees to hold SuperATV® harmless from any violation thereof.
